

Red Deer Dancing – update 14th March 2020

Due to the concern over the continuing increase of Coronavirus, it is with regret that we have reluctantly decided to cancel our weekly Monday morning class with immediate effect.

We plan to resume this class as soon as possible.

All members will be contacted with updates regarding the resumption of the class, when this has been decided.

As previously intimated our annual Spring Dance arranged for Friday 20th March has also been cancelled.

With sincere apologies for any disappointment caused.
